The eye of the camera lens is a window to our world. Through it, we see beauty, tragedy, and the passing of our lives. Sometimes, if we are especially fortunate, we are privileged to view fleeting moments in history. "Eye Remember" is a personal glimpse at the people, places, and events that shaped a generation of post World War II "baby-boomers." This volume contains photos, all from the author's personal collection, and profiles of celebrities, activists, and political leaders from those times. They colored the lives of us all.

The largest, most comprehensive anthology of its kind, this volume brings together significant, representative stories from every decade of the 20th century. It includes the prose of officially recognized writers and dissidents, both well-known and neglected or forgotten, plus new authors from the end of the 20th century. The selections reflect the various literary trends and approaches to depicting reality in the 20th century: traditional realism, modernism, socialist realism, and post-modernism. Taken as a whole, the stories capture every major aspect of Russian life, history and culture in the 20th century. The rich array of themes and styles will be of tremendous interest to students and readers who want to learn about Russia through the engaging genre of the short story.

Literature has the capacity to send us across time and space. Through it, we get to know people from different centuries whose experiences as well as the context and culture they inhabited can be understood and relived through the power of the written word and the marvel of human empathy. Both books included here allow us a glimpse into now extinct kingdoms, antique settlements and wild natureescapes. The stories contained within will not only expand your vision of history but will also, hopefully, thwart your expectations and help you rethink the past. The Book of the Marvels of the World, more commonly known as The Travels of Marco Polo, continues to be one of the most widely read and circulated travel books ever written. It includes the traveller's fascinating recollections of ancient kingdoms and nations all the way from Venice in the Italian Peninsula to Hangzhou in Eastern China. The Itinerary Through Wales narrates Gerald of Wales' trip to recruit soldiers for the Third Crusade around Wales in the 12th century. It contains beautiful descriptions of Welsh landscapes and historical events next to descriptions of miracles and fantastic creatures that are a reflection of its time. Both are included in full, in Modern English and are heavily annotated. Includes charts and illustrations to enliven the experience.

"Matt Brown was flyng across the ice, just as his coach wanted. He gained speed as he chased the puck toward his defensive zone. Just as the puck settled between Matt's

skates, he was bumped from behind by an opposing player and crashed headfirst into the unforgiving boards. As he struggled to move his arms and legs, an ominously painful silence fell over the arena. In a split second, star hockey player Matt Brown was suddenly paralyzed from the neck down."--Provided by publisher

Ten stories of BDSM, submission, and service set in the secret world of Laura Antoniou's Marketplace. The Marketplace has fans all over the world, and Antoniou invited them to come play in her fictional sandbox/dungeon. Numbered among those fans happen to be some of the top erotica and alternative sexuality writers in the world,

including D.L. King, Sassafras Lowrey, and Elizabeth Schechter. The full slate of writers contributing to NO SAFEWORDS runs the gamut of award-winning authors to bright-eyed new voices, as creator Laura Antoniou explains in her introduction: "As the saying goes, 'blessed are those who embellish the tale.' So here is the Marketplace, as seen through other eyes. There are some stories that show the world exactly as I created it, and some that push my boundaries a tad. There is romance and strife, glee and despair. There is hot sex, of course, but there's also humor and melodrama. Just the way I like it. "There were some surprises for me! I was delighted to find several female dominant/male submissive stories, especially since my examples of those relationships tend to be supporting, rather than main characters. I was also pleased by the writers who weren't afraid to go a little dark; a collection of stories all about slaves misbehaving in mildly inconvenient ways and getting fantastically, erotically punished would have been tiresome. "So whether you want a rollicking Victorian flavored tale of adventure and romance or a modern, sexy welcome to a new home for a familiar character, you will find flavors here to tempt or satisfy your tastes. Return for more time travel to a world where the language we so casually use to describe our tastes doesn't even exist, but where longing for a ritualized order and discipline and a sense of belonging transcends words, and gets expressed in the rich metaphor-and reality-of a garden. "Then swerve away from romance to feel the terror of a slave newly sold to an owner who represents their worst nightmare, whether because of demographics or the enormous challenge of a language barrier. "Here, you can get into the reflection of a trainer's long career or the grief and anguish of a new owner confronted with an inherited house full of property she didn't choose. Or, watch how even the jaded, experienced ways of the Marketplace aware people become awkward in that most awkward of adult challenges-a marriage proposal. Get a glimpse into the rarefied and formal household of an owner/spotter, and then take a detour to the desolate history of a young genderqueer punk fresh from the streets, confronted with the most iconic of Marketplace characters. All of this-a synthesis of my imagination and theirs, fed by culture, fantasy, fairy tales and fears. All fiction is, in a way, fan fiction. I am sorry it took so long for me to see this and to open myself to the interesting sensations-you might call it edge-play-in giving people access to my favorite victims. But better late than never!" As series editor of "The Best American Essays" Robert Atwan constantly scours a wide range of print and online periodicals, bringing to "America Now" an unrivaled awareness of the best writing on today's hottest issues. To make these issues especially relevant for students, Atwan also explores hundreds of campus newspapers on the Internet to find the best student writing on current topics. From award-winning investigative journalist Kyle Swenson, *Good Kids, Bad City* is the true story of the longest wrongful imprisonment in the United States to end in exoneration, and a critical social and political history of Cleveland, the city that convicted them. In the early 1970s, three African-American men—Wiley Bridgeman, Kwame Ajamu, and Rickey Jackson—were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland, Ohio. The prosecution's case, which resulted in a combined 106 years in prison for the three men, rested on the more-than-questionable testimony of a pre-teen, Ed Vernon. The actual murderer was never found.

Almost four decades later, Vernon recanted his testimony, and Wiley, Kwame, and Rickey were released. But while their exoneration may have ended one of American history's most disgraceful miscarriages of justice, the corruption and decay of the city responsible for their imprisonment remain on trial. Interweaving the dramatic details of the case with Cleveland's history—one that, to this day, is fraught with systemic discrimination and racial tension—Swenson reveals how this outrage occurred and why. *Good Kids, Bad City* is a work of astonishing empathy and insight: an immersive exploration of race in America, the struggling Midwest,

and how lost lives can be recovered.

Teenage drama, hotly contested elections, Facebook groups, accusations, affairs, and romance. Some people interact, others are strangers, but they all live, work, love, and play in this unnamed city.

The extraordinary new poetry collection by Tracy K. Smith, the Poet Laureate of the United States Even the men in black armor, the ones Jangling handcuffs and keys, what else Are they so buffered against, if not love's blade Sizing up the heart's familiar meat? We watch and grieve. We sleep, stir, eat. Love: the heart sliced open, gutted, clean. Love: naked almost in the everlasting street, Skirt lifted by a different kind of breeze. —from "Unrest in Baton Rouge" In *Wade in the Water*, Tracy K. Smith boldly ties America's contemporary moment both to our nation's fraught founding history and to a sense of the spirit, the everlasting.

These are poems of sliding scale: some capture a flicker of song or memory; some collage an array of documents and voices; and some push past the known world into the haunted, the holy. Smith's signature voice—inquisitive, lyrical, and wry—turns over what it means to be a citizen, a mother, and an artist in a culture arbitrated by wealth, men, and violence. Here, private utterance becomes part of a larger choral arrangement as the collection widens to include erasures of *The Declaration of Independence* and the correspondence between slave owners, a found poem comprised of evidence of corporate pollution and accounts of near-death experiences, a sequence of letters written by African Americans enlisted in

the Civil War, and the survivors' reports of recent immigrants and refugees. *Wade in the Water* is a potent and luminous book by one of America's essential poets.

Gathering forty important short stories in a portable and economical format, the second edition includes even more of the fiction instructors want to teach and more of the help student readers need.

Eccentric and popular film critic Pidge Andersson has compiled a bunch of movie reviews he found under his couch. The reviews that got away. This book compiles material originally published on Xomba.com and a couple of other websites. Among the titles discussed in here are the cheap Captain America TV movies, 2019 - *The New Barbarians*, *Valhalla Rising*, *Mega Piranha*, *Princess of Mars*, and a handful of Dolph Lundgren flicks. Fun, funny, informative and educational.

In this bold book, Samuel Cohen asserts the literary and historical importance of the period between the fall of the Berlin wall and that of the Twin Towers in New York. With refreshing clarity, he examines six 1990s novels and two post-9/11 novels that explore the impact of the end of the Cold War: Pynchon's *Mason & Dixon*, Roth's *American Pastoral*, Morrison's *Paradise*, O'Brien's *In the Lake of the Woods*, Didion's *The Last Thing He Wanted*, Eugenides's *Middlesex*, Lethem's *Fortress of Solitude*, and DeLillo's *Underworld*. Cohen emphasizes how these works reconnect the past to a present that is ironically keen on denying that connection. Exploring the ways ideas about paradise and pastoral, difference and exclusion, innocence and righteousness, triumph and trauma deform the stories Americans tell themselves about their nation's past, *After the End of History* challenges us to reconsider these works in a new light, offering fresh, insightful readings of what are destined to be classic works of literature. At the same time, Cohen enters into the theoretical discussion about postmodern historical understanding. Throwing his hat in the ring with force and style, he confronts not only Francis Fukuyama's triumphalist response to the fall of the Soviet Union but also the other literary and political "end of history" claims put forth by such theorists as Fredric Jameson and Walter Benn Michaels. In a straightforward, affecting style, *After the End of History* offers us a new vision for the capabilities and confines of contemporary fiction.
