Do you want to build a Snowman notebook, great gift for Christmas, 120 pages, lined interior, 6 x 9 inches in size. A master of family therapy, Salvador Minuchin, traces for the first time the minute operations of day-to-day practice. Dr. Minuchin has achieved renown for his theoretical breakthroughs and his success at treatment. Now he explains in close detail those precise and difficult maneuvers that constitute his art. The book thus codifies the method of one of the country's most successful practitioners.

After Louis Brittz and his family became the victims of an armed robbery, abduction, death threats and rape, they experienced how, in Louis's words, 'By God's grace we could walk out of that experience without any harm to our soul and spirit.' They have experienced immediate wholeness and healing and people thought that they were either lying or possessed some kind of superpower. But Louis has realised that God had been teaching them for years to live according to certain principles. This, together with God's presence, enabled them to deal with what had happened in such a remarkable way. Out of this experience Born to Win was born. We are born to win and everyone – from the most ordinary person to the super talented – can be a winner. It has been written into our DNA by God Himself. This book is not an action plan. It is an invitation to bring spesific areas of your life before God and ask Him to change you. Neither is it a book that

tries to deal with every little issue that could possibly improve your quality of life. It will not tell you what music to listen to, where to spend your holiday or how drinking green tea will aid digestion. Louis focusses on matters that he believes are essential for living in victory. It is a journey through God's resources to change his children into winners. Louis discusses topics such as:

- Winners have lost everything
- Winners are able to forget
- Winners know who they are
- Winners ask the hard questions
- Winners can master their thoughts

Winners are baggage free Born to Win offers you a blueprint of the things that differ in the life of a winner from that of someone else, and will enable you to be more than a conqueror in all circumstances.

Their explorations of inspirational literature and useable spiritual methods gave rise to the program of spiritual self-help now practiced around the world as the twelve-step tradition. Now, some of the core books that both inspired and were produced by the early twelve-steppers and recovery pioneers – including the first edition of the 1939 landmark Alcoholic Anonymous – are collected in this powerful resource, *The Recovery Bible*. Here are early writings by the visionaries of recovery. Their work retains all of its impact and life-changing power – now at the ready for study, immediate guidance, and a lifetime of re-exploration in this one volume. *The Recovery Bible* includes: -Alcoholics Anonymous, the original 1939 landmark - *The Greatest Thing in the World* by Henry Drummond -*In Tune with the Infinite* by Ralph Waldo Trine -*The Mental Equivalent* by Emmet Fox - *As a Man Thinketh* by James Allen -*The 23rd and 91st Psalms*
