Mackenzie Smith has always known that she was different. Growing up as the only human in a pack of rural shapeshifters will do that to you, but then couple it with some mean fighting skills and a fiery temper and you end up with a woman that few will dare to cross. However, when the only father figure in her life is brutally murdered, and the dangerous Brethren with their predatory Lord Alpha come to investigate, Mack has to not only ensure the physical safety of her adopted family by hiding her apparent humanity, she also has to seek the blood-soaked vengeance that she craves. This is the first book in the bestselling Blood Destiny series.

When people meet Jesus exciting things happen. Whatever their backgrounds and circumstances--military officer, widow, religious leader, prostitute--each person Jesus meets is known, challenged, and (sometimes) transformed. Rebecca Manley Pippert creates a safe place to explore, on your own or with a group, what might happen as you meet Jesus. In this discussion guide you'll take a closer look at both Luke's and John's narratives and you'll have the opportunity to consider more deeply your individual response to Jesus. Each study is packed with historical information, challenging questions and thought-provoking quotes, but it won't answer all your questions. In fact it may bring up new ones! But, no matter what, it will help get you started on your journey toward faith. Use Looking at the Life of Jesus with other Saltshaker Resources, How to Lead a Seeker Bible Discussion (a step-by-step guide for leaders), Talking About Jesus Without Sounding Religious (a how-to book on sharing your faith

with confidence), *The Way of Jesus* (a book to give away to seekers) and *Looking at the Life of Jesus and Spirituality According to Jesus* (both seeker-oriented Bible discussion guides).

This "evangelism tool kit" of helpful, encouraging and easy-to-use resources from Rebecca Manley Pippert includes everything you need to introduce those you care about to Jesus: a brief handbook on sharing your faith, a give-away book for seekers, a how-to guide on leading Bible discussions, and a Bible study guide for groups to use to explore the life and teachings of Jesus.

The head coach of the San Francisco 49ers outlines the successful strategies he used to transform the team from an organization in disarray to a team renowned for its excellence

A history of economic concepts with emphasis on those of Adam Smith, Marx, and Keynes.

Professor Abdur Rahim's eight-volume texts enable the student to acquire a knowledge of Arabic in the classical structural form. All of the books teach essential language skills through applied grammar. Each lesson is based on a conversation which illustrates distinctive language patterns. A variety of exercises helps the student to understand and master each of the patterns occurring in the lesson. The vocabulary ranges from classical and Quranic Arabic to words and expressions current in modern Arabic. This series of books is currently being utilized at various schools to prepare students for the University of London (UK) GCE O-Level and A-Level examinations.

In order to understand the true message and spirit of the Holy Quran, it is essential to know the language it has been revealed in. The first step is to understand the meaning of individual words. One needs to understand how words were used by the ancient Arabs by the time of Quranic revelation, and not depend on anyone's explanation or understanding as to what they mean today. Along with proper understanding of Arabic grammar, the true meanings of Quranic words, and their use with respect to the context in which they have been revealed in, one student of Quran may get closer to the Truth. The task of creating a Quranic dictionary or encyclopedia that would explain the classical meanings of Quranic words and their use along with significance was undertaken by Allama Ghulam Ahmed Parwez in 1960, where he compiled Lughat-ul-Quran in Urdu language. Now this dictionary has been translated to English by Quranic Education Society in Norway, in order to appeal to a larger audience worldwide and to inspire modern Quranic students.
