

I Must Win This Battle

Why shouldn't the definition of family be broadened and modernized? What harm could be done by two consenting adults who love one another coming together to create a binding union? In this succinct analysis of the issue, Dr. James Dobson presents a compelling case against the legalization of "marriage" between homosexuals, and the dire ramifications our nation could face: Same-sex marriage will destroy the fundamental principles of marriage, parenthood, and gender. Families will be increasingly unstable as their definition expands to incorporate multiple "moms" or "dads." Legalization of gay marriages will lead to polygamy and other alternatives to one-man/one-woman unions. The divorce rate will be even higher, making our children less safe. Marriage Under Fire provides the foundations of a battle plan for the preservation of traditional values in our nation. Our response could not be clearer. The well-being of the family, and thus our nation, hangs in the balance. Now is the time to speak out in defense of marriage and the family.

Louie Giglio helps you find encouragement, hope, and strength in the midst of any valley as you reject the enemy voices of fear, rage, lust, insecurity, anxiety, despair, temptation, or defeat. Scripture is clear: the Enemy is a liar who will stop at nothing to tempt you into poor decisions and self-defeating mindsets, making you feel afraid, angry, anxious, or defeated. It is all too easy for Satan to weasel his way into a seat at the table intended for only you and your King. But you can fight back. Don't Give the Enemy a Seat at Your Table outlines the ways to overcome those lies so you can find peace and security in any challenging circumstance or situation. With the same bold, exciting approach to Scripture as employed in Goliath Must Fall and his other previous works, pastor Louie Giglio examines Psalm 23 in fresh ways, highlighting verse 5: "You prepare a table before me in the presence of my enemies." You can find freedom from insecurity, temptation, and defeat—if you allow Jesus, the Shepherd, to lead the battle for your mind and heart. This spiritual warfare book for those who are leery of spiritual warfare books will resonate with Louie's core Passion tribe as well as with Christians of all ages who want to live a triumphant life in God.

!-StartFragment-- In her most popular bestseller ever, the beloved author and minister Joyce Meyer shows readers how to change their lives by changing their minds. Joyce Meyer teaches how to deal with thousands of thoughts that people think every day and how to focus the mind the way God thinks. And she shares the trials, tragedies, and ultimate victories from her own marriage, family, and ministry that led her to wondrous, life-transforming truth--and reveals her thoughts and feelings every step of the way. Download the free Joyce Meyer author app.

Must-Win Battles shows in a step-by-step way, how to identify the key goals that need achieving and how to win emotional and intellectual buy-in from the employees who make it all happen. By focusing on the right key short-term efforts you attain the twin benefits of delivering in the here-and-now, and making progress toward larger strategic goals. Businesses around the world are struggling for growth and profitability in today's fast-changing world. Those that achieve standout success are characterized by clear vision, focused execution, and commitment by people to doing what counts. But for the 99% of businesses that lack many of

these attributes, how do they go about getting them? Should they turn to another management fad? Probably not. Senior managers are now sceptical in the face of "initiative overload". Instead they are looking for inspiration among real-world companies and real leaders. Based on a successful executive programme at IMD, one of the world's foremost executive education institutions and has been tested at some of the world's best-known companies, with intimate and compelling case studies running throughout, *Must Win-Battles* offers the inspiration and advice that many are looking for. "Enlightening and thought provoking in an era of cluttered agendas. *Must Win Battles* sets a clear path for leaders to focus their team's head, heart, and hands. Michael D. White, Chairman and Chief Executive Officer, PepsiCo International New York "Moving a company to the next level requires confronting the right challenges, and Peter Killing, Thomas Malnight, and Tracey Keys show how to pick your battles and then how to win them. Their *Must-Win Battles* provides a practical playbook for unleashing and aligning the intellectual and emotional energies essential for any business triumph." Michael Useem, Director-Center for Leadership and Change Management, The Wharton School and author of *The Leadership Moment* "In "*Must Win Battles*" Peter Killing and Thomas Malnight have distilled their richly varied experiences drawn from many organizations over many years. Together they have created a practical handbook for all managers who are interested in re-energizing and improving their business performance. *Must Win Battles* is easy to read and brimful with practical advise; well worth a few hours of your time". Iain Ferguson CBE , Chief Executive , Tate & Lyle PLC. Named European Businessman of the Year by Forbes Magazine, 2005 "Working with *must-win battles* has fundamentally changed our approach to where we seek growth in the market and the way we engage our people in realizing these goals. *Must-win battles* are the glue that ties the business together globally, that everyone understands and can contribute to. The process clarifies for everyone the long-term vision and business direction, where to allocate resources and why it is important to get aligned." Diego Bevilacqua, President, Global Business: Foodsolutions, Unilever "Every executive knows that there are certain battles that must be won for the business to be successful. This great new book provides a real-world, step-by-step approach to choosing the right battles in a way that helps unleash the organizational will to achieve them. *Must Win Battles* is a wonderful contribution to the art and science of management! So much so that it's inspired me to launch my own *MWB* journey." Bob Rieder, President & CEO Cardiome Pharma Corp.

Author and pastor Craig Groeschel helps you uncover who you really are—a man created in the image of God with a warrior's heart—and how to fight the good fight for what's right. You will find the strength to fight the battles you know you need to fight—the ones that determine the state of your heart, the quality of your marriage, and the spiritual health of your family. Craig will also look at examples from the Bible, including our good buddy Samson. Yep, the dude with the rippling biceps and hippie hair and a thing for Delilah. You may be surprised how much we have in common with this guy. By looking at his life, you'll learn how to defeat the demons that make strong men weak. You'll become who God made you to be: A man who knows how to fight for what's right. And don't you dare show up for this fight unarmed. Learn how to fight with faith, with prayer, and with the Word of God It's time to fight like a man. For God's Sake, FIGHT.

Using a storytelling style and biblical truth to encourage practical aspects of faith, LEAPING THE WALL investigates ways to empower our faith during difficult times. Written with compassion, honesty and truth, this book explores the deeper questions of faith that haunt us. Why does a loving God allow pain and suffering? How do sorrow and grief fit in with the biblical understanding that God has a good plan for our lives? Does God care about our pain? Through practical suggestions, encouraging stories, and Scripture, Kloster gently encourages readers to focus on grace, peace, joy, and hope to empower faith during sorrow and pain. Another Battle to Win is a memoir of a man who overcame numerous challenges in business and the military. After growing up in a small, industrial town, he embarked on a life on Wall Street. At age 31, he left a flourishing career to enlist in the military during the Gulf War and beat the enormous odds of becoming an Airborne Ranger-qualified Infantry Platoon Leader. Following treatment for a rare cancer, Kneisel set out to identify the qualities and behaviors needed to succeed in the face of significant personal and professional obstacles.

Have you ever tried to fight worry with faith and felt you were losing the battle? Have comments like “God’s got this!” or “Just pray about it” only left you feeling more burdened? We know we shouldn’t worry, but the reality is that we all do at times. Whether it’s personal worries about loved ones and daily circumstances or broader concerns about what’s happening in the world, we long for something more than platitudes that will help us put real feet to our faith and win the worry battle. Many Christians do not have a full understanding of what it means to fight the good fight of faith. They try to live by faith but in the face of everyday trials and failures, they find themselves disillusioned and discouraged, wondering if they have done something wrong or if living by faith only works for others. The problem for most is simply a lack of understanding regarding what faith is and how it works. This book, inspired by the Book of Joshua, reviews three steps a person can take to Fight In Faith: 1) embrace God’s promises, 2) steep your heart in courage, and 3) act in obedience to God’s commands. Just as God gave His people victory over their enemies when they fought in faith, He promises to do the same for us. Following the footprints of bold, courageous faith that God gave His people, we’ll be equipped with tools to bravely fight in faith and overcome both our daily struggles and the bigger battles we all face. Through examples of how God gave the Israelites victory over their enemies and generously blessed them, too, we’ll be victorious in our fight of faith so that we not only radically transform our own lives but unequivocally impact society. A companion six-week Bible study Joshua: Winning the Worry Battle is also available for those who would like to dig deeper into the book’s topic. Study components, each available separately, include a Participant Workbook with five days of lessons per week, Leader Guide, and DVD with six 20-25 minute sessions (with closed captioning).

Campus Battlefield takes that fight to our nation’s college campuses, where the left’s decades-long campaign to transform our universities into radical re-education camps is working, and now we are seeing the disastrous results. Free speech, intellectually rigorous debate, and the simple concepts of tolerance and fairness are routinely being corrupted and weaponized to promote radical leftist ideologies, enforce groupthink, and marginalize or eliminate any student, professor, and dean who gets in their way. All the while, these hothouses of close-mindedness are staffed by blame-America, anti-free market, victimology professors who are twisting the minds of tomorrow’s leaders. Are your thoughts out of control--just like your life? Do you long to break free from the spiral of destructive thinking? Let God's truth become your battle plan to win the war in your mind! We've all tried to think our way out of bad habits and unhealthy thought patterns, only to find ourselves stuck with an out-of-control mind and off-track daily life. Pastor and New York Times bestselling author Craig Groeschel

understands deeply this daily battle against self-doubt and negative thinking, and in this powerful new book he reveals the strategies he's discovered to change your mind and your life for the long-term. Drawing upon Scripture and the latest findings of brain science, Groeschel lays out practical strategies that will free you from the grip of harmful, destructive thinking and enable you to live the life of joy and peace that God intends you to live. Winning the War in Your Mind will help you: Learn how your brain works and see how to rewire it Identify the lies your enemy wants you to believe Recognize and short-circuit your mental triggers for destructive thinking See how prayer and praise will transform your mind Develop practices that allow God's thoughts to become your thoughts God has something better for your life than your old ways of thinking. It's time to change your mind so God can change your life.

HUGO AWARD WINNER: BEST NOVELLA NEBULA AND LOCUS AWARDS WINNER: BEST NOVELLA “[An] exquisitely crafted tale...Part epistolary romance, part mind-blowing science fiction adventure, this dazzling story unfolds bit by bit, revealing layers of meaning as it plays with cause and effect, wildly imaginative technologies, and increasingly intricate wordplay...This short novel warrants multiple readings to fully unlock its complexities.” —Publishers Weekly (starred review). From award-winning authors Amal El-Mohtar and Max Gladstone comes an enthralling, romantic novel spanning time and space about two time-traveling rivals who fall in love and must change the past to ensure their future. Among the ashes of a dying world, an agent of the Commandment finds a letter. It reads: Burn before reading. Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, becomes something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean the death of each of them. There's still a war going on, after all. And someone has to win. That's how war works, right? Cowritten by two beloved and award-winning sci-fi writers, This Is How You Lose the Time War is an epic love story spanning time and space.

The bloodiest battle in American history is under way . . .

Mugan, an unlikely Hero!! These are perilous times in the beautiful realm of Heaven. His best friend has turned against God and he must make the terrible choice of either choosing his best friend, Lucifer, son of the morning or the Godhead, who he swore to love and protect. He must make this choice and either decision have dire consequences to his relationship between the brother and the Godhead who created him. Mugan is someone we can identify with as he deals with the difficult decisions that we all deal with on a day to day basis. Like Mugan, we all must choose whether we will follow God or our own passions, friends or family.

the challenge every man faces...the fight every man can win From the television to the Internet, print media to videos, men are constantly faced with the assault of sensual images. It is impossible to avoid such temptations...but, thankfully, not impossible to rise above them. Shattering the perception that men are unable to control their thought lives and roving eyes, Every Man's Battle shares the stories of dozens who have escaped the trap of sexual immorality and presents a practical, detailed plan for any man who desires sexual purity-perfect for men who have fallen in the past, those who want to remain strong today, and all who want to overcome temptation in the future. Includes a special section for women, designed to help them understand and support the men they love.

Filled with fresh interpretations and information, puncturing old myths and challenging new ones, Battle Cry of Freedom will unquestionably become the standard one-volume history of the Civil War. James McPherson's fast-paced narrative fully integrates the political, social, and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of

another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War--the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry--and then moves into a masterful chronicle of the war itself--the battles, the strategic maneuvering on both sides, the politics, and the personalities. Particularly notable are McPherson's new views on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. The book's title refers to the sentiments that informed both the Northern and Southern views of the conflict: the South seceded in the name of that freedom of self-determination and self-government for which their fathers had fought in 1776, while the North stood fast in defense of the Union founded by those fathers as the bulwark of American liberty. Eventually, the North had to grapple with the underlying cause of the war--slavery--and adopt a policy of emancipation as a second war aim. This "new birth of freedom," as Lincoln called it, constitutes the proudest legacy of America's bloodiest conflict. This authoritative volume makes sense of that vast and confusing "second American Revolution" we call the Civil War, a war that transformed a nation and expanded our heritage of liberty.

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? The War of Art identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. The War of Art emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself. Countering a culture that coerces men to suppress instead of express, Jason Wilson calls readers to unlearn society's definition of masculinity and discover the power of engaging with and mastering their emotions. For decades, Jason Wilson tried his best to "be a man" but struggled to express the full range of human emotions because the only ones he felt comfortable expressing were the traditional "masculine" emotions--anger, aggression, and boldness. This went on until he finally released years of past trauma to attain the healing he needed to become a better man, husband, father, and leader. Learning how to master his emotions and verbally process them transformed Jason's life and relationships in ways he never could have imagined. He now seeks to expose the lies that many men have been deceived to believe about manhood and bring healing to their lives. Battle Cry will teach men how to wage and win the war within themselves--unlearning society's definition of masculinity and empowering them with the tools needed to freely live from their hearts instead of their fears. Wilson shows readers how to • win internal battles before they turn into external wars; • master their emotions instead of being ruled by them; • release trauma from their past so they can live fully to their potential in the present; and • communicate more effectively with the people in their lives.

THE KING'S LION IS BACK IN A SWASHBUCKLING ADVENTURE After years of fighting, peace reigns over the Eagle Empire. General Leandros is enjoying a romantic vacation with his wife at sea when a mysterious sea captain, the Mask, abducts them, asking for their help to free his fellow islanders from slavery. Leandros and Helena start training the islanders, conducting daring

raids on land and sea to free the slaves. Their only allies are a powerful sea-witch and a savage crew of ex-pirates. Breathtaking duels and fierce battles turn the tide in favour of the islanders until the enemy monarch sends his Grand Fleet to subdue them. With only two ships and a handful of men, the King's Lion faces a terrifying challenge. The future of an entire nation lies in his hands.

Dr. Albaugh invites us to begin the wonderful journey into the mysteries of the inner game that will help you play better golf and have more fun doing it. You'll learn how to swing tension-free and play in the imaginative mind, two of the most important factors in shooting better scores. You'll gain confidence, mental toughness, and the ability to perform under pressure. Discover inner game practice drills, how to create a robust pre-shot routine, and a post-shot routine to keep you focused in present-time awareness. I Must Win This Battle offers a hands-on training self-deliverance process and prayers. It covers over 2000 prayer points focusing on how to remove unpleasant and unwanted situations of life. Battle of life is a must win for every child of God and this book shows how to, in a very simple and effective way. It is a must have for every household.

Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following 48 Laws of Power and The Art of Seduction, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, The Concise 33 Strategies of War is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen.

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

When the American Ambassador to Iraq announces her true identity and sparks the Arab Revolution and Reformation of

Islam on a global scale, the world is turned upside down. "Safina" is the first book in a trilogy that spans three generations of thrilling intrigue and battles, and tells her story of courageous commitment to the struggle for freedom around the globe. From Safina's cruel beginning as an abused eleven year old child bride in the deserts of Iraq, to the highest society of European aristocracy and power, she joins forces with Lieutenant Colonel, Brecken Petersen, a United States Marine Special Forces combat-hardened veteran, and takes her position as the most powerful leader on the planet. She fights every inch of her way from Basra to Amsterdam, and to Paris, on to Washington DC and finally to Egypt. She establishes the UFAS, (United Federation of Arab States), and recruits member states around the world to join the UFN (United Free Nations). Safina and her fellow revolutionaries fight to liberate Islam from 1400 years of barbaric enslavement of half its population - women. The United States Government is in flux, on the verge of civil war. Europe is wounded, and pockets of serious counter insurgencies continue to be a source of concern. Safina recruits Claude Molyneau, a world banker and financier who attempts to restore the financial foundations of Europe, and the monetary solvency of the United States. Readers who relish intrigue and espionage will like this novel. Those who appreciate a sophisticated love story will be engaged with all of their emotional and erotic senses. Individuals who thrill to the perfectly choreographed hand-to-hand combat and the expert use of martial arts and sophisticated weaponry will be in their element. Science geeks will recognize state-of-the-art new technologies that will be deployed in the near future. Political junkies will revel in the behind-the-scenes machinations that propel the world to the brink of ruination. They will glimpse what is likely to occur when Iran achieves nuclear weapons and an effective delivery system to attack Israel. Safina survives multiple attempts on her life until the last page of this book when it seems that all may be lost except.....

The story of David's "mighty men" (primarily found in 2 Samuel 23) drives this challenging and encouraging book for Christian men. The mighty men weren't drafted into David's army because of their impressive resumes. They were broken men who, given an opportunity to achieve greatness, responded like champions. In *Six Battles Every Man Must Win*, popular author and speaker Bill Perkins uses the story to illustrate the six battles David's men fought, and men today must win, to become powerful and effective warriors in God's kingdom.

Hannah Torrington has used her newfound training to seek revenge for her sister's death at the hands of the vampires. Her relationship with Will ruined and her abilities growing stronger each day, she is determined to graduate from the program and help end the vampire uprising. When the vampires continue to stalk her family and Will refuses to let her go, she must battle both her feelings for the Lycan and the vampires who wish to destroy her.

Tet, 1968. That was the Vietnam War's D Day, Battle of the Bulge, Iwo Jima, Crossing of the Rhine. In a series of battles

in all parts of the country, condensed mostly in a three day span - although a few fights (Khe Sanh, Hue City) lasted longer - the Viet Cong were effectively destroyed as a fighting entity, and the North Vietnamese Army was severely damaged. Tet, 1968 was also when the United States lost the Vietnam War. In THE SQUAD one fourteen man US Marine Corps rifle squad led by Sergeant George Bingham is in a routine ambush outside a remote fire base in northern I Corps, close to the Demilitarized Zone between North and South Vietnam. This is the night before a scheduled cease fire for the Tet holiday; they don't expect any problems. When their fire base is unexpectedly hit by a superior force of North Vietnamese, the squad loses communication, and the Marines on the fire base are driven back. Unfortunately, the loss of communications means the squad doesn't get the word to pull out of their ambush and rejoin the rest of their company for the withdrawal. Their failure to rejoin their company leaves the other Marines thinking they were found and wiped out by the North Vietnamese. Morning finds the fourteen Marines not dead or even wounded, but alone deep behind North Vietnamese lines. Without knowing what's going on, or where friendly units are, Sergeant Bingham and his Marines must find a way to evade contact with the thousands of enemy soldiers, and reconnect with other Marines. Complicating matters, they started out with only enough supplies on the ambush to last overnight. Who are these Marines? How do they relate to each other? In order to tell their story properly, LtCol R. W. Thoreau, the fictional narrator whose After Action Reports and historical analysis are spread throughout the novel, begins the story on March 9, 1965, the day Bingham learns of the Marine landing at Da Nang, which was the beginning of the American ground war in Vietnam. Bingham drops out of college at the end of the term and enlists in the Marines. The members of this squad, as is the case in all squads, have strong friendships - as well as conflicts among the Marines.

Must-Win Battles shows leaders exactly how to identify the 3 to 5 critical challenges most likely to make or break their businesses -- and then mobilize people and resources to successfully execute on them. This book draws on the authors' exceptional experience as world-class consultants and leading-edge business researchers, and builds on the highly successful executive program they created for IMD, one of the world's best business schools. The authors show leaders how to cut through uncoordinated initiatives, create a short list of true "must-wins," focus relentlessly on them, and infuse their organizations with renewed energy and effectiveness. Along the way, discover how to recognize which victories will make the greatest difference, avoid unwinnable battles, drive consensus when somebody's ox is inevitably being gored, make sure must-win battles are specific and measurable, and change the behavior of your top management team to lock in this laser-sharp focus for future battles.

"Living on the Edge is simple, smart, easy-to-read, and practical. No one is beyond repair. Anyone can heal. Everyone can make a difference. These are the messages we all need to hear." - Paul Casale, Licensed Mental Health Counselor, Marriage & Family

Therapist We're all living on the edge. Life is tough. Bad things happen. To us. To those we love and care about. We wonder what's coming next. We're scared, anxious, angry, and sad. We try, but never feel good enough, smart enough, or attractive enough. We wear masks. We try to fit in. We live lies. We're on a downward spiral. Maybe you're on a downward spiral. You've felt this. Perhaps you're feeling it now. There's a fierce battle going on in your mind. Your heart is at stake. This is a battle you must win. It's time to expose the lies and embrace the truth. It's time to become who you really are. For more than 30 years, multiple award-winning author, speaker, and grief counselor Gary Roe has been helping teens and adults heal from past wounds, discover who they are, and live with passion and purpose. With more than a dozen books and 600 articles in print, he has become a trusted, inspirational voice to thousands of wounded hearts. "Life is about overcoming," Gary frequently says. Let him help you face your battles, beginning with this book. In *Living on the Edge*, you'll learn... Why you struggle with feelings of sadness, worthlessness, or hopelessness at times. How your struggles come from lies you've been fed and embraced along the way. How to identify the specific lies tripping you up and keeping you stuck. How to begin to replace these lies with the truth. How to deal with self-harming or suicidal thoughts that can derail your life. Where to go from here to become the Difference Maker you were meant to be. It's time to move from walking on the edge of a cliff to living on the edge of your seat. There is much to look forward to. More than you realize. The battle is raging. You can win it. Begin today...

A renowned climate scientist shows how fossil fuel companies have waged a thirty-year campaign to deflect blame and responsibility and delay action on climate change, and offers a battle plan for how we can save the planet. Recycle. Fly less. Eat less meat. These are some of the ways that we've been told can slow climate change. But the inordinate emphasis on individual behavior is the result of a marketing campaign that has succeeded in placing the responsibility for fixing climate change squarely on the shoulders of individuals. Fossil fuel companies have followed the example of other industries deflecting blame (think "guns don't kill people, people kill people") or greenwashing (think of the beverage industry's "Crying Indian" commercials of the 1970s). Meanwhile, they've blocked efforts to regulate or price carbon emissions, run PR campaigns aimed at discrediting viable alternatives, and have abdicated their responsibility in fixing the problem they've created. The result has been disastrous for our planet. In *The New Climate War*, Mann argues that all is not lost. He draws the battle lines between the people and the polluters-fossil fuel companies, right-wing plutocrats, and petrostates. And he outlines a plan for forcing our governments and corporations to wake up and make real change, including: a common-sense, attainable approach to carbon pricing- and a revision of the well-intentioned but flawed currently proposed version of the Green New Deal; allowing renewable energy to compete fairly against fossil fuels debunking the false narratives and arguments that have worked their way into the climate debate and driven a wedge between even those who support climate change solutions combatting climate doomism and despair-mongering With immensely powerful vested interests aligned in defense of the fossil fuel status quo, the societal tipping point won't happen without the active participation of citizens everywhere aiding in the collective push forward. This book will reach, inform, and enable citizens everywhere to join this battle for our planet.

Read Online I Must Win This Battle

This book is a training manual for Christian soldiers, motivating believers to not give up and encouraging them that God's Word is true when it claims that He will come through for them as long as they do not quit. Dr. Jerry Savelle, who admits that he was once a quitter himself, writes candidly about his own experiences and challenges God's arm...

The destruction of mankind is imminent! A powerful evil looms on the horizon plotting their revenge. They've grown tired of waiting in the shadows and are ready to unleash a new Armageddon. The only thing standing in their way is 17 year old Esta Hope, and she doesn't even know it yet! The fallen gods of ancient Greece want her, the devil wants her dead. Esta's world is about to be turned upside down, as the battle between good and evil comes to a head. Can she embrace her true destiny before it's too late? While her life disintegrates, who can she trust? And will the arrival of mysterious Luc and Sam in town be her salvation, or will they send her straight to hell? If she can accept what she was born to become and win the impending battle, is she simply opening the door for a much bigger, more violent war? Celestria is a story about love, hope and trust. The power of faith, and how evil can destroy all of us when our belief in goodness has left.

Only \$6.99! Perfect Journal, Diary, Notebook - Amazing design and high quality cover and paper. - Matte Cover. - Perfect size 6x9" - No Spiral - Use it as a journal, note taking, composition notebook, makes a great gift!

We are all warriors at heart. A critical question remains: Why? We develop the heart of a warrior when we seek Jesus because Jesus is and always has been a warrior. This is not to disparage the humility, compassion, mercy, and love that flow from the New Testament characterization of the Gospel of Jesus Christ. If the Word of God is to be accepted in its entirety, however, Old Testament battle descriptions of the Warrior of warriors must also be included in forming the complete picture of Jesus. These descriptions tell us that Jesus also has the heart of a warrior. Not only will this warrior heart be manifest on the Day of the Lord, but it has already been revealed in Old Testament battle. Jesus was a fierce Old Testament warrior. The evidence is compelling. The story is amazing. The incarnate Son of God was physically engaged in fierce Old Testament battle.

I Must Win This Battle offers a hands-on training self-deliverance process and prayers. It covers over 2000 prayer points focusing on how to remove unpleasant and unwanted situations of life. Battle of life is a must win for every child of God and this book shows how to, in a very simple and effective way. It is a must have for every household. Deliverance means to loose the bounds of wickedness. A lot of people are under the bondage of wickedness. If you look at the lives of many people, you will discover a wide array of wicked occurrences. If your life is surrounded by wicked mysterious happenings, you need to go for deliverance as fast as you can. Deliverance is setting the captives free from the oppressive power of Satan. It's the spiritual cleansing of an individual that makes that person free from the strong-holds of the enemy.
