In this first ever published account, learn what it takes to be an elite Recon soldier in America's toughest military service the Marine Corps. Enter the unknown world of Marine Force Recon and follow new recruits as they descend into the hell of "indoc"- a grueling 48-hour test where physical and mental failure lead to elimination and through the completion of advanced Jungle Environment Survival Training at Camp Schwab, Okinawa. Find out how these men are trained to carry out missions with stealth, speed, and accuracy; how they infiltrate enemy lines to gather intelligence and/or conduct search and destroy missions that only the finest of America's troops could accomplish. Delve into the history and uncover the founding origins of this elite unit. Read about the ten different training grounds, including the mentally challenging eight week Amphibious Recon School and the dangerous Combat Dive Training, just to name a few.
