

N81 User Guide

In conjunction with top survey researchers around the world and with Nielsen Media Research serving as the corporate sponsor, the Encyclopedia of Survey Research Methods presents state-of-the-art information and methodological examples from the field of survey research. Although there are other "how-to" guides and references texts on survey research, none is as comprehensive as this Encyclopedia, and none presents the material in such a focused and approachable manner. With more than 600 entries, this resource uses a Total Survey Error perspective that considers all aspects of possible survey error from a cost-benefit standpoint.

This timely and very practical guide shows you how to plan, carry out and complete an effective out-of-court restructuring or "workout." Leading you step by step through the legal, business and procedural details, it answers your questions on the pros and cons of negotiating a workout as opposed to filing for bankruptcy. Fully explains the complexities of exchange offers and prepackaged plans and analyzes such essential matters as directors' liability, lender's concerns, and taxation in the workout framework. Includes provisions revised or added pursuant to the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005, Pub. L. No. 109-8 (2005). You'll find expert guidance through various workout procedures, including:

- Negotiating with creditors on behalf of shareholders
- Handling sales of claims against, or assets of, the troubled company
- Minimizing personal liability of directors
- Complying with legal requirements of various types of exchange offers
