

Senoia Cozy Mystery Boxed Set Books 1 6

"Merry Masquerade in Savannah" is Book 8 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! Carlita, Mercedes, and Tony are gearing up to celebrate their first Thanksgiving at their new home in historic Savannah, Georgia. Along with the excitement of the upcoming holiday season, there's a lingering sadness because part of their family won't be there to celebrate. When Carlita's friend, Victoria "Tori" Montgomery, invites the Garlucci family to her "Merry Masquerade" party at Montgomery Hall, Carlita is thrilled to have something to take her mind off the approaching holiday. Despite a recent theft and an assault on her butler, Tori moves forward with her party plans, a grand affair and a gathering of Savannah's elite. The Merry Masquerade turns out to be everything it was billed to be and more, when one of Tori's employee is found murdered inside the pool house. Is the murder linked to the recent break-in and the butler's attack at Montgomery Hall? Could the killer be living under Tori's roof? Or was it a masked party guest trying to make it look like an inside job? Join the Garlucci women as they help one of Savannah's most prominent residents track down a killer!

A concise introduction to the emerging field of data science, explaining its evolution, relation to machine learning, current uses, data infrastructure issues, and ethical challenges. The goal of data science is to improve decision making through the analysis of data. Today data science determines the ads we see online, the books and movies that are recommended to us online, which emails are filtered into our spam folders, and even how much we pay for health insurance. This volume in the MIT Press Essential Knowledge series offers a concise introduction to the emerging field of data science, explaining its evolution, current uses, data infrastructure issues, and ethical challenges. It has never been easier for organizations to gather, store, and process data. Use of data science is driven by the rise of big data and social media, the development of high-performance computing, and the emergence of such powerful methods for data analysis and modeling as deep learning. Data science encompasses a set of principles, problem definitions, algorithms, and processes for extracting non-obvious and useful patterns from large datasets. It is closely related to the fields of data mining and machine learning, but broader in scope. This book offers a brief history of the field, introduces fundamental data concepts, and describes the stages in a data science project. It considers data infrastructure and the challenges posed by integrating data from multiple sources, introduces the basics of machine learning, and discusses how to link machine learning expertise with real-world problems. The book also reviews ethical and legal issues, developments in data regulation, and computational approaches to preserving privacy. Finally, it considers the future impact of data science and offers principles for success in data science projects.

"Missing in Savannah" is Book 6 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! When Carlita Garlucci's annoying tenant, Elvira Cobb, turns up missing, Carlita and her daughter spring into action and begin looking for clues to her whereabouts. They soon discover a mysterious message on Elvira's answering machine. The message is from a man with possible NY mob ties. They fear that Elvira has put all of their lives in jeopardy after the mysterious man is found floating face down in the Savannah River. Carlita's fear turns to bone-chilling horror when she realizes the man's killer isn't after Elvira...he's after her! Armed with more clues and help from a friend, Carlita and Mercedes head out to nearby Tybee Island to continue their search at a historic fort with a rumored pirates' past. Will the Garlucci women find their missing tenant before the killer strikes again or will their "former family" and secret past, finally be the death of all of them? Great teams are built and maintained with great intention, though they can make it look deceptively easy. Too many teams engage in dysfunctional behaviors or fall into territorialism, apathy, and unproductive relationships. The result? An overwhelmed, unengaged, and stressed-out workforce that settles for average or poor performance. Here, four authors with a combined century of management experience show readers how every team can be extraordinary. The authors introduce their field-tested Loyalist Team 3D assessment that allows anyone to get to the heart of why teams break down, identify the weaknesses in their own team, and build a Loyalist Team. This kind of team has members who ensure each other's success as they work to ensure their own, operate with absolute candor, and value loyalty and authenticity to deliver results, create a healthy work environment, and help companies succeed. The Loyalist Team is a must-read for anyone who wants their team to achieve extraordinary results.

A "raw and fascinating" novel based on the author's experiences as a New York City paramedic during the crack epidemic—"Burke is a poet of trauma" (Publishers Weekly, starred review). *Black Flies* is the story of paramedic Ollie Cross and his first year on the job in mid-'90s Harlem. It is a ground's eye view of life on the streets: the shootouts, the bad cops, the hopeless patients, the dark humor in bizarre circumstances, and one medic's struggle to maintain his desire to help despite his growing callousness. It is the story of lives that hang in the balance, and of a single job with a misdiagnosed newborn that sends Cross and his partner into a life-changing struggle between good and evil. "Although *Black Flies* is a novel, it contains more reflections of lived experience than some memoirs. . . . Reading this arresting, confrontational book is like reading *Dispatches*, Michael Herr's indelible account of his years as a reporter in Vietnam." —The New York Times Book Review

Senoia is a quiet little town . . . until a man drives into town with a classic car to sell but never drives outA Cozy Mystery from #1 Best Selling author Susan Harper Felicity went to college to become an investigative journalist but returned home to become a party planner instead. When she gets her first big break, a murder turns the event into one that she will never forget. After the police arrest her friend, who she knows is innocent, she is forced find the killer herself. If she doesn

Always FREE on Kindle Unlimited

As a little girl climbs off a school bus on the Upper East Side of New York, a man named Trent rushes from the shadows to stab her viciously, instantly becoming the city's latest pariah and setting into motion an increasingly bizarre chain of occurrences. At one end of the chain is Sybylla Muldoon, the Legal Aid attorney who must somehow overcome eyewitness accounts, devastating forensic evidence, and the brutal disfigurement of an innocent child in her struggle to defend Trent; at the other is the mystery of why a previously peaceful and rational man should suddenly commit such an abhorrent crime. Sybylla's client may be inescapably guilty of the act, but everything about the case feels unaccountably wrong. Raised to argue both sides of anything by her father, a conservative judge whom she adores even as she rejects his politics, Sybylla is committed to the principles of public defense but growing increasingly weary in its practice. Now as she readies Trent's case for trial, Sybylla makes a series of seemingly unrelated discoveries that bind together a thriving trial consulting firm dealing exclusively with conservative prosecuting attorneys, a pattern of unnoticed abductions among New York's homeless, a long-abandoned avenue of medical research, and Sam, Sybylla's new colleague at Legal Aid whom she falls for but can't quite trust. In the end, Trent's mystery leads her to the very summit of the American legal system—the confirmation hearings of a Supreme Court nominee—and to the heart of her own family history, until Sybylla must reconsider virtually everything she believes she knows about her own life. With its captivating protagonist and its timely consideration of juries, trial consultants, and that elusive notion, justice, *A Jury of Her Peers* is a chilling novel about the

law—and those who seek to corrupt it.

"A full-on delight: funny, gripping, warm-hearted, and beautifully written—it made me cheer. Read it!" —Madeline Miller, award-winning author of *Circe* "Tender and fierce, witty and wise, this is a tale of the route we take when we grow up and into the love we deserve." —Judy Blundell, National Book Award-winning author of *What I Saw and How I Lied* "There's magic in this novel's quirky, sweet world. I want to live in its gardens and cheer Lucy on while she finds her heart's loves!" —Kristin Cashore, *New York Times* bestselling author of *Graceling* "A delightfully offbeat mystery that is also about the mystery of becoming yourself." —Rebecca Stead, *New York Times* bestselling author In this witty and whimsical story by award-winning author Margo Rabb, a sixteen-year-old girl is suspended from boarding school and sent to New York City, where she must take care of an unconventional woman entangled in a mystery. Lucy Clark has had it. After being bullied one too many times, Lucy retaliates. But when the fallout is far worse than she meant it to be, she gets sent to Manhattan to serve as a full-time companion to the eccentric Edith Fox. Edith is glamorous and mysterious—nothing like Lucy expected. Though Edith's world of hidden gardens and afternoon teas is beguiling, there's one other thing about her that makes her unlike anyone Lucy has ever met...she thinks someone is trying to kill her. And it's up to Lucy to find out who it is.

Put on your walking shoes and hit the road! In fact, hit the sidewalks, paths, and byways as you discover Atlanta on foot. Authors and walkers Ren and Helen Davis have divided the metropolitan area and surrounding counties into a variety of walks that reveal the history, architecture, and great beauty this city has to offer. These self-guided tours of Atlanta are suitable for the whole family: walkers, runners, and bicyclists. Both urban and suburban walks of varying lengths and difficulty Background, historical markers, notable sites and buildings Special features and area events Trail distance, terrain, and nearby parking and MARTA access Approximately 45 maps Atlanta's moderate climate, gentle terrain, and fascinating history and architecture provide the perfect setting for delightful walks.

Winnie the Witch is an accident waiting to happen! So join her, if you dare, with her long-suffering cat Wilbur in eight exciting escapades. Whether they're scoring goals, selling knickers, catching bats, or eating turkey-tonsil tidbits, giggles are guaranteed in these superb stories, each one packed with pictures by Korby Paul.

From *New York Times* bestselling author Angie Fox Sometimes Verity Long would like to forget that she lives with the ghost of a 1920s gangster. But the reluctant housemates must once again work together when a dead detective blackmails Frankie into helping him solve a Great Gatsby-era cold case. Before she can say "bathtub gin," Verity is dragged straight into a raging, otherworldly house party. Worse, every guest is hiding something. Meanwhile, Ellis Wydell, Verity's living, breathing boyfriend needs Verity's help with a police case of his own. After a dead body is discovered near the pecan orchard, Verity gives her insights, thinking her job is done. But when mysterious pecan pies start arriving at her house, she wonders who might be thanking her...or stalking her. Between hard-living ghosts and sugar-laden desserts, Verity has her work cut out for her. But will she uncover the secrets behind the pecan pies and dead guys? Or has she stumbled upon a recipe for disaster? What Reviewers are saying... 5 Stars! "I could not put this down." 5 Stars! "The setting was in a fabulous mansion with glamorous characters, the story was complex, and as usual Verity and Frankie were up to their ears in suspects." 5 Stars! "I had such a difficult time holding back the tears. It hit me to the core and felt like I was sitting there witnessing it all myself instead of reading about it. I went back and re-read the ending over and over!" 5 Stars! "One of the best series I've ever read." Rating: Clean and Wholesome Paranormal Cozy Mystery Romance (with a cute pet skunk!)

"Swag in Savannah" is Book 4 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! Carlita Garlucci is thrilled that her son, Tony, has arrived in Savannah to help with the opening of their new pawnshop, "Savannah Swag." While giving her son a tour of the property, they stumble upon a hidden trap door that leads to an undiscovered basement with a tunnel. Curious to find out where the tunnel leads, Tony breaks through the wall and discovers underground passageways rumored to have been used by pirates to smuggle their stolen goods into the historic city. While exploring the tunnel, the Garluccis find skeletal remains with ties to a darker secret that has been hidden behind the tunnel walls for decades. The gruesome discovery causes Carlita to wonder what other secrets her property holds. Despite her insistence they reseal the tunnel, Carlita's children convince her to leave it open long enough for them to explore the passageways as they attempt to solve a decades old mystery. They quickly discover that the secrets hidden underground are tied not only to the previous owners of her property, but also implicate Carlita's deceased husband, Vinnie. Will Carlita and her children be able to clear Vinnie's name, or will their snooping around incriminate him even more?

Three Cozy Mysteries from #1 Bestselling author Susan Harper Felicity turned her back on her investigative journalism degree to start a business as a party planner. After solving a few mysteries, she has become a celebrity sleuth. Follow along as she solves three more mysteries, including one that will threaten to shatter her very existence. This collection of cozy mysteries includes books four through six in the Senoia Cozy Mystery series. If you like cozy mysteries with interesting characters and unexpected turns, the Senoia Cozy Mystery series is for you. Buy the Senoia Cozy Mystery Boxed Set and start solving your next mystery (or three) today! Included Books Each book in the series is a stand-alone story, but your enjoyment of each story will be increased if you read them all. Be sure to check them all out. *Horse Drawn Homicide* – Felicity's party planning business is booming. When someone close to her is killed, she literally gets dragged into the middle of another murder mystery. But after a second murder, things get too real. Can Felicity solve the mystery before she becomes the third victim? *Framed by Friends* – Felicity has become Senoia's premier party planner and amateur sleuth. When the past and present collide, Felicity's friends, old and new, become embroiled in a murder mystery. At a party she organized, no less. Felicity must put aside old friendships and hurt feelings and catch a killer before one of her friends gets away with murder. *Victims of His Vengeance* – Felicity has become a celebrated amateur sleuth in addition to being Senoia's premier party planner. When the criminals she has put behind bars start dying, she must again solve a perplexing case. Can she catch another killer or will she be the final victim?

"The Family Affair" is Book 9 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! Carlita Garlucci is anxiously awaiting the arrival of her oldest son, Vinnie, who claims he has a big surprise. She secretly hopes that her son has decided to leave the "family" and move to Savannah to join her and two of her other children. Those dreams are dashed when Vinnie finally arrives and reveals his shocking surprise. Soon, Carlita has more than she bargained for when the head of the New York mob shows up on her doorstep. Carlita is still trying to come to grips with Vinnie's big news when someone close to her is accused of murder. Despite her attempts to stay out of the investigation, Carlita and her children are dragged right into the middle of it. Can the Garlucci family unravel the clues in time to help solve the mystery and get back to their peaceful life in Savannah or

will their past be their undoing?

A sequel to Jane Austen's *Pride and Prejudice* set two years after the novel ends, *MISS BENNET* continues the story, only this time with bookish middle-sister Mary as its unlikely heroine. Mary is growing tired of her role as dutiful middle sister in the face of her siblings' romantic escapades. When the family gathers for Christmas at Pemberley, an unexpected guest sparks Mary's hopes for independence, an intellectual match, and possibly even love.

"Key to Savannah" is Book 1 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! Months after the untimely death of mafia made man "Vinnie Garlucci," his devoted wife, Carlita, discovers a mysterious key in one of his pockets while sorting through his belongings. With help from her daughter, Mercedes, she sets off to find out what the mysterious key belongs to and soon discovers she has inherited property in historic Savannah, Georgia. Carlita views the property as a sign and remembers Vinnie's dying words to her to get their family out of the mafia. Against the wishes of her three sons, mother and daughter embark on a road trip to explore the property. While they're gone, someone breaks into their home and vandalizes it. This is the second time it has happened since Vinnie's death and Carlita is convinced that it's somehow tied to the mafia. Carlita and Mercedes are looking forward to leaving their old life behind with a fresh start in beautiful Savannah. They quickly realize you can run but you can't hide from the past.

Hoping to start his life over after his prison release, ladies' man Seven finds himself tempted by the fast money of the drug trade when his day job fails to provide his desired lifestyle, a circumstance for which he teams up with a fellow ex-con for a high-stakes operation. Original. 60,000 first printing.

Psychiatry today is a barren tundra, writes medical historian Edward Shorter, where drugs that don't work are used to treat diseases that don't exist. In this provocative volume, Shorter illuminates this dismal landscape, in a revealing account of why psychiatry is "losing ground" in the struggle to treat depression. Naturally, the book looks at such culprits as the pharmaceutical industry, which is not inclined to market drugs once the patent expires, leading to the endless introduction of new--but not necessarily better--drugs. But the heart of the book focuses on an unexpected villain: the FDA, the very agency charged with ensuring drug safety and effectiveness. Shorter describes how the FDA permits companies to test new products only against placebo. If you can beat sugar pills, you get your drug licensed, whether or not it is actually better than (or even as good as) current medications, thus sweeping from the shelves drugs that may be superior but have lost patent protection. The book also examines the FDA's early power struggles against the drug industry, an influence-grab that had little to do with science, and which left barbiturates, opiates, and amphetamines all underprescribed, despite the fact that under careful supervision they are better at treating depression, with fewer side effects, than the newer drugs in the Prozac family. Shorter also castigates academia, showing how two forms of depression, melancholia and nonmelancholia--"as different from each other as chalk and cheese"--became squeezed into one dubious classification, major depression, which was essentially a political artifact born of academic infighting. An astonishing and troubling look at modern psychiatry, *Losing Ground* is a book that is sure to spark controversy for years to come.

A thrilling new case for London's most talented psychic detection agency – from the global bestselling author of the *Bartimaeus Sequence*. In London, a mysterious and potentially deadly ghost is stalking the halls of St Simeon's Academy for Talented Youngsters. It lurks in the shadows, spreading fear and icy cold – and it carries a sharp and very solid dagger . . . The headmaster wastes no time in enlisting the help of ghost-hunters Anthony Lockwood, Lucy Carlyle and George Cubbins. Can Lockwood & Co. survive the night and save the day?

This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985. Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems. Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to distinguish between 0 (zero) and 0 (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L Indeed, hundreds of researchers have followed this suggestion. Some of them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Herman and H.A. Maurer whose influence in the theory of L systems has been most significant.

Three Cozy Mysteries from #1 Bestselling author Susan Harper Felicity has become Senoia's premier party planner and super sleuth. After the death of her fiancé, she has thrown herself into work and that means sleuthing. Follow Felicity as she recovers from tragedy, finds a new love, and puts criminals behind bars. This collection of cozy mysteries includes books seven through nine in the Senoia Cozy Mystery series. If you like cozy mysteries with interesting characters and unexpected turns, the Senoia Cozy Mystery series is for you. Buy the Senoia Cozy Mystery Boxed Set and start solving your next mystery (or three) today! Included Books Each book in the series is a stand-alone story, but your enjoyment of each story will be increased if you read them all. Be sure to check them all out. Undercover with the Undead – Felicity has landed her dream job of throwing a zombie themed party for the stars of her favorite television show. When a dead body shows up, for real, she gets thrown into a celebrity-infused murder mystery. Can she find the real killer and free the innocent zombies? Homicide at the Hospital – Felicity is preparing for the long-awaited wedding of two friends. When the groom-to-be is fired and his boss winds up dead, their happily ever after is very much in jeopardy. Can Felicity and the gang clear her friend or is there going to be a jailhouse wedding? Murder Mystery Party – Trying to run two businesses is turning out to be harder than it looked for Felicity. A murder mystery party seems to be the perfect way to have fun with her two passions. When the murder mystery turns real, she's faced with a case that will put her to the test. Can she separate fact from fiction and catch the killer?

Winnie's sisters have given her a flying carpet but Winnie is struggling to find something nice to say about it in her thank-you letter as the carpet has been more than a little wayward. Winnie decides to give the carpet one last chance but then

disaster strikes. The carpet swoops off with poor Wilbur as its unwilling passenger. Winnie tries to catch it but the carpet is too fast for her and it heads straight for a funfair where it subjects Wilbur to a string of crazy rides. Winnie has to resort to magic to stop the carpet in its tracks and rescue her beloved moggy. Then she takes Wilbur home and, ever the resourceful witch, she has an idea for a wonderful way to enjoy the carpet in the safety of her own garden.

Three Cozy Mysteries from #1 Bestselling author Susan Harper Felicity has established herself as a first class party planner and super sleuth. Faced with three more nefarious crimes, she just might be reaching the end of her sleuthing days. Can she put three more criminals behind bars and move on with her life or will this truly be the final mystery she ever solves? This collection of cozy mysteries includes the last three books in the Senoia Cozy Mystery series. If you like cozy mysteries with interesting characters and unexpected turns, the Senoia Cozy Mystery series is for you. Buy the Senoia Cozy Mystery Boxed Set and start solving your next mystery (or three) today! Included Books Each book in the series is a stand-alone story, but your enjoyment of each story will be increased if you read them all. Be sure to check them all out. Vacations and Victims – Felicity and the crew have graduated to preventing murders. After foiling an attempt on the senator's life, Felicity takes some time off to enjoy a vacation with her sister. Unfortunately, she soon learns that when you're a super sleuth, you always seem to be in the right place—or wrong?!?—when dead bodies turn up. Will a killer spoil her vacation by getting away or will Felicity put another criminal behind bars? A Death Downtown – Felicity has put her party planner hat back on and is set to host one of the biggest events of the year in Senoia. When old friends get involved, it has the feel of the good old days. Until a dead body shows up. Felicity will have to tap into all of her previous sleuthing experience to bring down the killer this time. Can she solve the death downtown or will there be more victims while the guilty party gets away? A Final Fatality – Felicity Overton has put numerous criminals behind bars...and planned a few bang up parties in the process. When one of her deadliest mysteries is resurrected, it might prove to be too much for her to handle. Can she face down a personal tragedy and find another killer before it is too late?

From the author of the Chronicles of Brother Cadfael, the first three mysteries in the Edgar Award-winning series about an English policeman and his son. In the English village of Comerford, just on the border of Wales, it's Det. Sgt. George Felse's duty to keep the peace—and keep his fourteen-year-old son, Dominic, out of harm's way . . . Fallen into the Pit: The shadow of World War II still looms over the village of Comerford. Dominic finds the body of a German ex-prisoner of war and develops a dangerous interest in solving the case. "Hypnotically good." —Boston Sunday Globe Death and the Joyful Woman: Dominic falls in love with an heiress who stands accused of bludgeoning a millionaire beer baron to death with a magnum of champagne. "Felse . . . is a fully-dimensional character who plumbs the experiences of his personal life to understand his case." —Publishers Weekly Flight of a Witch: Felse handles a strange case involving the disappearance of a local beauty, a fatal robbery, and witchcraft. "A tension-laden, consistently intriguing puzzle." —Kirkus Reviews

Twelve-year-old Rafe Ryder's year couldn't get worse. His parents have shipped him off to live with his grandmother and he doesn't know if he'll ever see his sick father again. Arriving in Maine, Rafe plots his immediate return to England, but the possibility of a homecoming slips further from his grasp when an adventure in a corn maze at his new school goes wrong, and he and twelve of his schoolmates are mysteriously transported to Mystfira--a realm of angels, leprechauns, gargoyles and fairies--and home to an elite angelic training school. Forced to co-exist with student angels and surrounded by more danger than he ever could have imagined, Rafe searches for a way home only to stumble upon a scheme to destroy the heavens. Can he find a way to save himself and his friends or will they be lost to the shadowy Vexxon forever?

Some deals can't be broken. According to the family curse, Tessa has until her next birthday to select her future husband. However, choosing would mean his premature death. Unwilling to condemn any man to that fate, Tessa searches for an explanation behind the curse and the rules that dictate her life. What she learns is more terrifying than she could have imagined. A demon brokered a deal with her ancestor in exchange for a companion, and he's come to collect. Tessa has a choice to make. Pay the debt or condemn a man to death. Her time to decide is running out, and as she's learned, breaking the family rules always has consequences.

"Setup in Savannah" is Book 7 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! When Mercedes is setup for a murder she didn't commit, she and her family must track down the real killer before their mafia past is

exposed.-----Carlita Garlucci is thrilled that her daughter-in-law and grandchildren have arrived in Savannah for their first visit. She secretly hopes that they will fall in love with the area and decide to move to the beautiful city, bringing her that much closer to fulfilling her late husband's dying wish. The family is on their way and Carlita is anxiously awaiting their arrival when she receives an urgent phone call from her daughter, Mercedes, who is in the riverfront district, where she was planning to meet another author to discuss a cold case murder. When Mercedes arrives at the meeting place, she finds the author's body lying on the ground. As investigators begin to delve into the man's death, they begin uncovering clues, and they're pointing right at Mercedes. Mercedes, her family and friends

begin an investigation of their own and quickly realize someone close to Mercedes has set her up. Can they track down the killer before the cops delve into the Garlucci family history, putting all of them at risk?

"Pirates in Peril" is Book 10 in the Made in Savannah Cozy Mysteries Series BONUS: RECIPE INCLUDED! Carlita Garlucci has her hands full preparing for the opening of her dream restaurant, which is just days away and a new tenant is moving into her apartment building. There's only one problem...Mercedes, Carlita's daughter, can't stand him. As if she weren't already busy enough, Carlita's friends have asked her to partner with them in a new business venture. Despite her reservations, Carlita agrees to join them, but quickly regrets it when their main competitor is attacked and left for dead. All of the clues point to her friend and now business partner, Pirate Pete, and Carlita realizes it's too late to back out - she's already given him a large chunk of money to invest. Determined to prove Pete is innocent and to keep their investment from sinking, Carlita and Mercedes dive into their own investigation, only to discover someone is lying and willing to put lives in peril to boot.

A How-To Guide to Accessing Your True Self and Living Abundantly A book based on the teachings of Jesus and Buddha. Learn how to create an abundant life by focusing your attention on your connection with the vibrant presence of the divine within. From the bestselling author of Writing Down Your Soul. Lotus and the Lily offers a new 30-day program for accessing your true creativity, breakthrough thinking, and divine guidance. Janet Conner continues her unique method of deep soul writing by showing readers how to exit their conscious minds, get in touch with their authentic selves, and activate the voice of wisdom within. For those seeking the riches that lie beyond the popular explanation of the Law of Attraction, Lotus and the Lily cracks the abundance code by linking the wisdom of the inner voice with the surprising parallel teachings of Jesus and Buddha. In a profound yet simple program, Conner sheds radical new light on how to: Awaken your inner shaman Discover the power of naming your past and your future Experience the generative power of your own voice Each day is reflective of you. Lotus and the Lily is a book with an array of prompts for reading, reflection, writing, exploring, and nourishing one's soul. Each week Janet Conner takes you through a program of rich exploration and redirects you from asking for things, to creating the receptive conditions that nourish a bountiful life. If you learned from books like The Gifts of Imperfection, The Untethered Soul, or The Power of Now, then you'll want to read Lotus and the Lily.

Three Cozy Mysteries from #1 Bestselling author Susan Harper Felicity turns her back on her investigative journalism degree to start a business as a party planner. Little does she know that she will be putting her university training to use as Senoia's newest super sleuth. Felicity will need to use all her skills to clear innocent friends, solve unsolvable cases, and protect herself from would-be killers. This collection of cozy mysteries includes books one through three in the Senoia Cozy Mystery series. If you like cozy mysteries with interesting characters and unexpected turns, the Senoia Cozy Mystery series is for you. Download the Senoia Cozy Mystery Boxed Set and start solving your next mystery (or three) today! Included Books Each book in the series is a stand-alone story, but your enjoyment of each story will be increased if you read them all. Be sure to check them all out. Dying for a Drive – When Felicity gets her first big break as a party planner, a murder turns the event into one that she will never forget. After the police arrest her friend, who she knows is innocent, she is forced find the killer herself. If she doesn't find him soon, though, she just might be the next victim. A Fatal Fall – Felicity's party planning business is booming after solving her first murder. When she lands her biggest job yet, she finally has a chance to enjoy the fruits of her success . . . until a young girl falls to her death. When ex-boyfriend and police officer Jack Hudson comes to her for help, Felicity must work around the police and solve the murder before she and her friends become the next victims. Murder in the Morgue – Felicity has become Senoia's premier party planner and has taken on the mission to raise funds for the new NICU at the hospital. When the haunted house theme gets an all too real decoration, Felicity is thrust into the middle of another murder investigation. Can Felicity solve the mystery of the Murder in the Morgue?
