You can purchase these supplies from your local craft or fabric store or from a variety of online craft retailers. So go grab your supplies, and get started...

Simple Beginnings: Beading A Step-By-Step Guide for Creating Your Own Custom Jewelry

With this gloriously photographed and illustrated manual at hand, beaders can create awe-inspiring jewelry. It's the only current, comprehensive guide to working with cabochons--a flat piece of rock or mineral--and it covers all the basics, along with a range of new creative techniques and hot trends. Find out which tools and materials to use, which beads work best, and how to wrap them round the stones. Craft turned, pointed, twisted, brick stitch, ruffled, or scalloped edges, or add decorative fringe. For something

dramatic, combine more than one cabochon in a single piece. Or, instead of natural stone, use dichroic glass or other found objects. Make a glittering brooch, funky bracelets, a wearable art necklace, and other showstoppers.

Includes instructions for creating a beading loom and for using it to make such items as bracelets and necklaces.

Based on one of BeadStyle Magazine's most successful special issues, A Year in Earrings offers a different earring design or project variation daily for an entire year. The front matter has been expanded to include design ideas, clarification of types of ear wires, directions for making ear wires, tips and shortcuts, and an explanation of what metals are best to use in earrings for those with metal allergies. Making a different pair daily is easy and quick thanks to clear photographs, step-by-step instructions, complete materials lists, and carefully explained basic techniques. These earrings use a full spectrum of materials — glass, crystals, metals, chain, wood, charms, Lucite, and everything in between. Individual designs include Sparkling Circles, Natural Chandeliers, Keshi Pearls, Bold Hexagons, and many more. A Year in Earrings offers beaders a wealth of projects to make and show off.

Features step-by-step projects and full-color examples Create unique jewelry to wear with everything from jeans to a ball gown! Want to make your own jewelry? This easy-to-follow guide gives you lots of hands-on instruction in making simple, fabulous jewelry and working with beads. Beginners will learn safe and easy techniques for soldering to create custom pendants, rings, bracelets, earrings and more. First-Time Beading on Fabric teaches nine beading techniques in nine easy lessons. Seed stitch, moss stitch, couching, backstitch, bugle beads, stacks, fringe, picot edge and peyote stitch. After practicing the beading stitches and techniques on the quilt sampler or stitch book, you will be ready to create the unique Beaded Garden Quilt to showcase your new skills. Equipment and supplies list, charts, bead shapes, threads, needles, bead mats and trays. Complete, clear and concise step-by-step instructions and how-to. Hundreds of color photographs throughout.

Anyone wanting to learn Loom Beading can pick up this book, buy supplies with confidence, build a simple frame loom and complete a project. All aspects of beginning bead looming are covered and once the first small pattern is complete, it is a simple matter to enlarge on the mini-loom, or to move up to a commercial beading loom. The results can be left on the loom, turning the mini-frame loom into a miniature frame for the loomed picture. This framed picture can be trimmed (or not) and used as a suncatcher, other decorative ornament or to spruce up the car's rear view mirror. It can also be mounted on a base. The base may be embellished to create a mini sculpture. By constructing a slightly larger mini-frame loom, it is possible to remove the finished work from the loom. These loomed strips can be stitched onto garments or accessories such as barrettes or bags and pouches. Several projects are specifically designed for barrettes and/or strips. The patterns are beautiful, ranging broadly from Navajo rug designs, Kokopelli and geometric Indian designs to Orcas, Eagles, Wolves, fanciful Polar Bears, an Old Fashioned Sampler and Snowmen. They will charm bead workers of all skill levels. All the patterns can be used on larger looms or as part of a larger picture. There are step-by-step instructions and every pattern has a color code, bead count, and color photo. Plus, there is information on bead sizes, number of beads per hank or gram, and advice on how to compare prices. In addition there is a variety of beading graph paper for seed beads, 2-cut, and delica beads. This book answers every crafter's questions. 116 fun-filled pages. A book you won't want to miss!

Bead Play Every Day features over 20 projects with a creative twist on traditional stitching techniques. Stitchers will learn a single technique by making a small, easy to complete component. Then, through repetition and creative experimentation, they will take on a larger project to perfect the technique. The results are beautifully stitched necklaces, bracelets, and earrings. Beth Stone has a dimensional, inquisitive approach to stitching that is perfect for stitchers who are ready to experiment with making their own design choices.

"Jewelry Making For Beginners" is a text that not only highlights the basics of making various types of jewelry, it also goes just a bit further into the process without making it overwhelming for the beginner. The aim that the author has with this text is to inform and educate and make the overall process as easy as possible to execute. The individual that has no concept at all of what jewelry making entails can read the text and not only get an overview of the jewelry making process but also get a bit of insight on the various processes that one can focus on be it using metal or beads or gems and stones. This book is a great source of reference for any hobbyist with an interest in making jewelry in their spare time or someone who has a creative side and has an interest in earning an income from making jewelry. The book is a great place to start to achieve that goal of creating great piece of wearable art. Of course this text will not appeal to everyone as not all are interested in using their hands or creativity to make something but for those who are it works.

Transform simple copper wire into stunning works of wearable art! From best-selling author and popular artist Lora Irish, learn expert techniques to create over 150 stylish DIY earring designs. With step-by-step instructions, high-quality photography, and helpful tips and tricks, you'll be able to make dozens of beautiful copper wire earrings with unique formations and beaded details! Author and internationally known artist Lora Irish has written several books on many types of art forms, including woodcarving, pyrography, craft pattern books, and more.

Discover just how easy it is to make your own gorgeous beaded jewelry with readily available semi-precious beads and stones! Beautiful Beaded Jewelry for Beginners shows you how to create fantastic day and evening pieces—necklaces, chokers, bracelets, cuffs, brooches, earrings, and rings—that will brighten up any outfit. Each project is presented in full step-by-step detail, showing you exactly what to do.

Bead Jewelry 101, now in paperback, is a complete entry-level course for creating beaded jewelry taught through 30 step-by-step projects that demonstrate fundamental methods for stringing and wirework. Have you always wanted to try jewelry making but aren't sure where to begin? Bead Jewelry 101 teaches you everything you need to know to create beautiful jewelry with beads. The Basics walks you through all the tools, materials, and basic construction techniques you'll use for the projects. The Projects are organized by various findings, or jewelry elements, so you'll learn new techniques and build new skills with every piece you make. Beautiful variations will inspire you to create your own designs. Beginners will also find the accompanying online videos that capture the techniques in action an invaluable resource. Written specifically for beginners, the books in the 101 series are complete illustrated guides to the basics of a craft that use projects presented with full-color, step-by-step instructions and photos to teach essential techniques.

Discover a new world of creative possibilities with on-loom bead weaving! It's fun and easy to make elegant loom jewelry in unique, fascinating designs. Beautiful Bead Weaving shows you how to use either the Clover standard bead weaving loom or the new credit card-sized Mini Loom to create stunning necklaces, bracelets, pins, earrings, and more. You'll be amazed by how much you can accomplish with just needles, thread, beads, and a simple loom. Learn how to set up and warp your loom, and get started fast with basic bead weaving techniques. Nineteen step-by-step projects are provided for weaving intricate beaded creations, complete with clear bead placement charts and dazzling color photographs of finished pieces.

Beading experts, teachers, and jewelry designers Bert and Dana Freed share their expertise in this delightful collection of jewelry patterns and projects. Using a wide range of stunning beads in lovely color combinations, the pieces may look complicated, but are very easy to make following the clearly explained techniques and directions. The projects are organized so that you start with the foundation of bead crochet---the basic chain stitch---then progress through each level to achieve more advanced techniques. Each section opens with clear photographs that demonstrate the techniques needed for the proceeding projects. The "Advanced Tips and Tricks" at the end of the book offer additional tips and tricks for making your bead crochet experience go as smoothly as possible. Beautifully photographed, Bead Crochet Jewelry provides all the inspiration and skills you need to create unique jewelry pieces to wear or give as wonderful gifts. From dangling earrings to chunky necklaces and plaited bracelets, these beautiful and intricate-looking pieces are sure to stand out and be admired by all.
